What *is a* ROCK?

rock: (răc)n. 1. a naturally formed mass that constitutes a significant part of the earth; 2. a relatively small piece or fragment of such mass; 3. a firm foundation or support.

Northwest has stood as a firm foundation of scholarship, integrity, diversity, and friendship for over sixty years. Through the years we have grown from Tate County Agricultural High School to Northwest Mississippi Junior College to what is Northwest Mississippi Community College today; a seventy-five acre main campus in Senatobia; four expansions — the Desoto, Lafayette-Yalobusha Technical, Benton-Marshall, and Olive Branch centers — and Northwest Farm. We have seen many changes in the appearance of our school. We've seen new buildings erected, roads paved, and the "face-lift" of the McLendon Union building these past two years. Improvements will always be made and time will change the look, but one thing will remain, the reason for Northwest. It will always stand "Solid as a Rock" for education, students, and the community.

And the rain descended, and the floods came, and the winds blew, and beat upon that house; and it fell not: for it was founded upon a rock.

O RIENTATION

Breaking the summer's routine of sleeping until 11, Northwest freshmen climbed into the showers and threw on shorts and T-Shirts to beat the crowd to Northwest's orientation Aug. 17, 18, and 19. Upon arriving on the Senatobia campus, students discovered a long line to their destination in the Tunica Building. After sweating in record heat for 30 to 40 minutes, they finally reached the cool inside, only to sit through placement tests. After the tests the real fun began with a tour of our "award-winning campus," entertainment from the cheerleaders, and the first meal in the cafeteria. YUM!!! Later they met with advisers to arrange schedules. This was the first true introduction to Northwest for the freshmen and proof that they had made a "step in the right direction."

— Leslie Williams

R

egistration

Will this day ever end? All the hassles that go along with registration were becoming oh so familiar once again. The never ending lines, closed classes, and hot muggy temperatures were totally exhausting. However, getting reacquainted with friends helped us to make it through the day! When all was said and done, we left with a sense of accomplishment and our new fall schedule.

— Tammy Meadows

DORM LIFE

Where can you find students wearing shorts in the winter and leather jackets in the heat of the summer at Northwest? Nowhere else but those places we call "home" for eight months of the year — Bobo, Gainey, Panola, Quitman, Tate, and Taylor — the Northwest housing facilities. We all joke about the dorms and how we hate community showers, loath taping-up our vents so we don't sweat to death in our sleep, and despise those people above us, next door, and across the hall who want to just "party-all-the-time," but through it all, college life would not be the same without dorm life. Where else will you find a person who will put up with all the nasty habits each of us has, other than our roommates? Dorm life brings students together and gives us a bond of life-long friends, plus quite a few "ZANY" memories of open dorm, late nights, and just goofin' around!

IN THE UNION

What we went through to get our precious union, and oh how we love it! No college campus is complete without a union and I must say ours is one of the best, complete with brand new, needed "No Name Grill."

Stepping into our unique cafe takes you back in time bringing back happy memories. The bookstore, fully supplied with student materials, has been a well-used asset.

MR. RANGER

Kenneth McCammon of Southaven now holds the popular title of Mr. Ranger — 1988. His escort, Tammy Harbor, nominated him. The Mr. Ranger contest was a part of the grand opening of the "No Name Grill." In round one, all contestants were required to dress like their favorite hero and in round two they were to dress up complete with sports coat and tie. It was at this time they were escorted by the girl. Kenneth charmed us all with all his superb Elvis imitation. Emcee, Beth Bryson, entertained us with her singing. First runner up was Adolph Williams, escorted by Tealisha Starks, and second runner up was Danny Rogers who was escorted by Vanessa Todd.

CLASSES

Classes, classes, and more classes! Classes at Northwest are always fun, appealing, and full of excitement as well as surprises, even an occasional lollypop may be seen; however, some days seem to never end. Our instructors do their absolute best to make classes as interesting as possible, which is greatly appreciated by the students.

Ranger

Fans

No one can ever say we don't show our "Ranger Spirit." There are pep rallies, which give not only students, but coaches, too, a chance to show that "Ranger Pride!" Then we have the faithful "stands fans" who are there for a loss, a tie ball-game, and the grand-slam winning run games. Through it all our Rangers come out shining so bright — "You Gotta Wear Shades!!!"

— Liesl Davenport

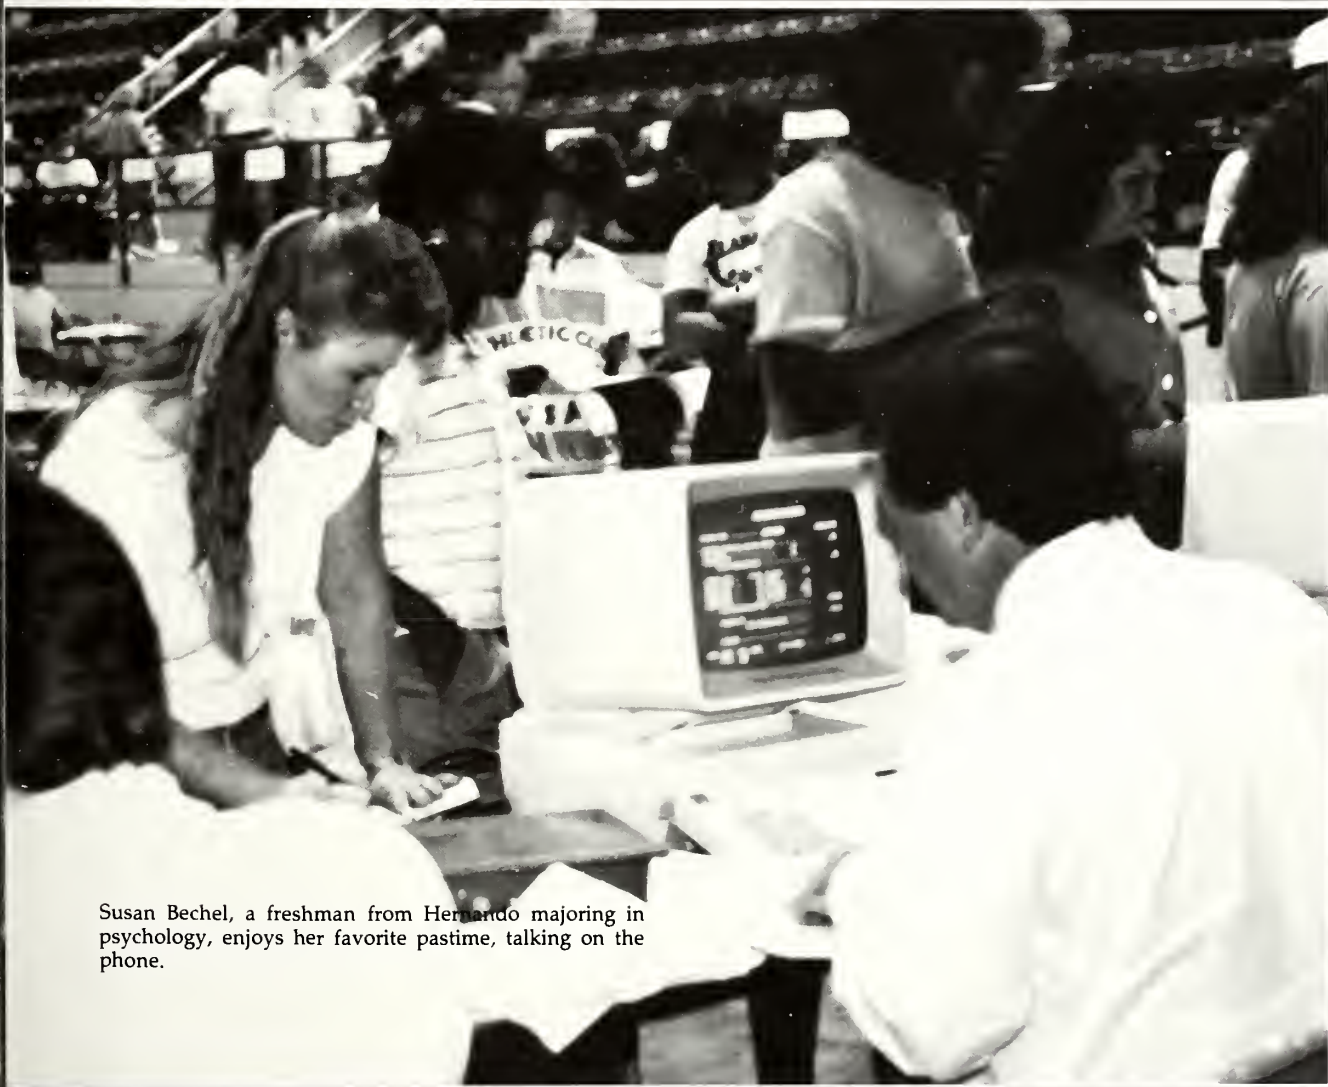

EDUCATORS

Northwest faculty and administration do not just “work here.” They are all part of the character of Northwest. The genuine care for the students, the school, and each other, make our faculty not only teachers and educators, but also friends. One can always find a “helping hand” — especially when there’s a hamburger from the “No Name Grill” around.

— Liesl Davenport

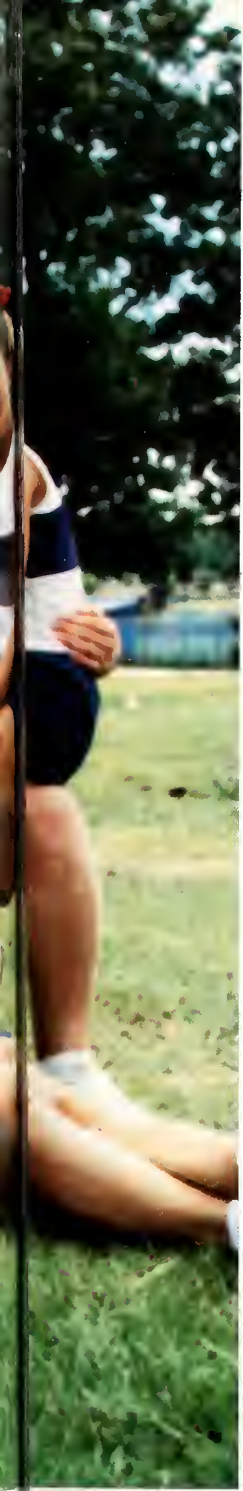

Susan Bechel, a freshman from Hernando majoring in psychology, enjoys her favorite pastime, talking on the phone.

Friends

There will come a time in all our lives maybe five, maybe ten or twenty years down the road when we'll look back and remember the people and places that have touched our lives. Whether those people were our teammates, coaches, roommates, boyfriend/girlfriend, or fellow students, we will know that more than anything they were . . . our friends.

WHAT MAKES A RANGER PEP RALLY?

A Ranger pep rally involves the participation of all. The cheerleaders and their high spirited jumps, the good ol' concession stands, the "mean mugs" of all the football team along with the "Rangerettes" pom-poms choreographed to harmonic sounds performed by the band, but most important, the FANS, cheers and support make a Ranger pep rally.

— Kim Davenport

HOMECOMING

'88

HOMECOMING '88 was an extra special week for all of Northwest. The parade led by covered wagons and pilgrims, displayed the theme of an "Old Fashioned Homecoming," and for the first time in several years it went straight down main street in Senatobia. Students, faculty, and fans all enjoyed the week's activities: a fireworks display followed by a snake dance to the Tobie Twin, the Ranger Games at the Northwest Farm, a cookout with a pep rally, and let's not forget the "not-so-old-fashioned" Homecoming Dance with Steve Azar and his band. Trish Bryson was crowned Queen, and our Homecoming came to a sad end with a 17-16 loss to the Co-Lin Wolves.

What's worse than getting a ticket? Getting another one when you have gone to pay for the first one! Nevertheless, everything security does is always for our own benefit regardless what we may think.

For the first time in ten years, security received brand new uniforms. Charles Tucker, better known as "Pops," was proudly showing his new patch complete with a Northwest Ranger. "This," he said, "separates us from the Senatobia Police."

Have you ever noticed, they're always there! Yes! I mean everywhere! Especially when you wish they weren't! It never fails — the one time you're late for a class and decide to drive and you first get stopped for speeding, then once you've finally managed to get to class you look out the window only to see a beautiful piece of yellow paper sticking out from under your windshield wiper.

One last note of advice, always stop and count to three at each stop sign and I guarantee you won't get a ticket!

V_O-Tech

Career-oriented programs are available on all five Northwest campuses. Some courses of study — for example, cosmetology, computer operations, and business technology — are offered at more than one site. Other majors such as Telecommunications (Senatobia), Fashion Merchandising Technology (DeSoto Center), Aviation Maintenance Technology (Olive Branch Center), Medical Clerical Technology (Lafayette-Yalobusha Technical Center) and Housebuilding and Woodworking (Benton-Marshall Center) are exclusive to one location. The Northwest Farm, a few miles west of Senatobia, provides a laboratory for the Livestock Management Technology curriculum. It is also the location of the college's rodeo arena. In addition to the Agriculture Club, Vo-Tech students have a number of organizations in which to participate — the Cosmetology Club, Delta Epsilon Chi for Sales and Marketing and Fashion Merchandising majors, Northwest Professional Engineers, Student Association of Legal Assistants, and VICA (Vocational and Industrial Club of America), open to all vocational and technical students.

WOW! What a guy, and oh what a homecoming we had. Thanks to Steve Azar everybody was "Gettin' Wet" and loving every minute of it! The band entertains us with such songs as "Wall to Wall," "The Sprinkler" and many other popular medleys made famous by other music artists. A former pike from Delta State, Steve Azar will be on MTV in the very near future being referred to as "The hottest thing in the state of Mississippi;" however, according to kids here on campus, we personally think he's "The hottest thing in the South."

WHAT'S GOING ON AROUND CAMPUS?

The Northwest campus is one of the all-time best! Campus life is always fun and full of excitement. Seeing couples walking hand in hand, small groups of people hanging out, and even kids waiting in the lunch room line make college life a reality. Our beautiful campus is full of green grass, trees, birds, and wonderful people who make college more fun than usual.

Homecoming was a most exciting week for Northwest students. A number of activities were going on. Out at the Northwest Farm a series of games were played including the lifesaver relay, football throw and even an obstacle course furnished with barrels, tires, and hurdles. The annual homecoming parade held in town was a real treat, especially for our lovely maids who were nicely escorted in a candy-apple red Thunderbird convertible. Naturally no homecoming game would be totally complete without a mascot, and ours was there in full dress with tons of spirit. Although our football team did their best, the old saying "You can't win 'em all" sums it up rather well. Homecoming '88 was one that will be remembered.

R RANGER FOOTBALL

Rangers Kick Off Season With a 51-24 Victory

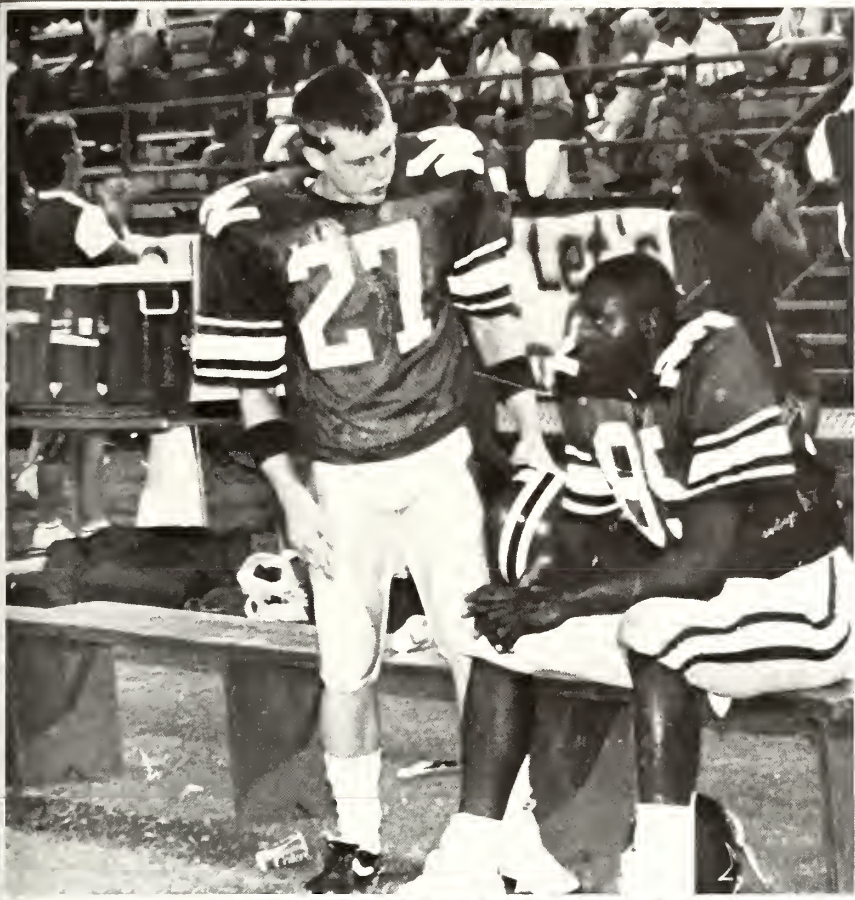

The 1988 Ranger season started off on the right foot — a victory. Sophomore quarterback Bobby Byrd threw three touchdown passes and scored on a 16-yard keeper to lead Northwest to a 51-24 win over Southwest.

Ranger wide receiver James Wright scored on an 80-yard catch from Byrd in the first quarter and a 9-yard reception in the second. In the third period Byrd shot a 72-yard touchdown strike to freshman runningback Dan Footman, who also picked up 131 yards rushing to lead the Rangers' ground attack.

Cory Jones, freshman runningback, added two Ranger touchdowns — first on a 5-yard run in the second quarter, and then on a 1-yard dive after a handoff from freshman quarterback Kevin McCarthen.

In the final period, McCarthen hit sophomore wide receiver Wesley Carroll with a 32-yard touchdown strike to cap Northwest's offensive show. Freshmen Lynn Jenkins and Claude Locke shared kicking duties. Jenkins nailed four PAT's, while Locke added two extra points and a field goal.

Conference Rival Falls Into Rangers' Clutches

Bobby Byrd again led the team with 201 yards rushing, two TD's, and one touchdown pass to a 29-22 win over conference rival East Mississippi.

The offensive pace was set for the night on the first play from scrimmage with a 35-yard gallop around the end by Byrd. Two plays later, after connecting with Wesley Carroll for a 14-yard strike, Byrd scored from a yard out.

Late in the first quarter East Mississippi put three on the board with a field goal, the first of three by the Lions in the half.

The Rangers retaliated with a touchdown drive that featured a 30-yard keeper by Byrd, a Corey Jones first-down run to the Lion 17, and a scramble to the five by Byrd, who scored on the first play of the second quarter. Freshman Claude Locke kicked the PAT.

The Lion quarterback was forced to go to the air by linemen Mike McClenton, Tracey Adams, and the rest of the defensive front. This led to trouble for the Lion's passing attack with interceptions by linebacker Devin Coleman and defensive back Jojo Wright. Locke was then put into position for a 28-yard field goal.

Third quarter fumbles were exchanged before Lynn Jenkins drilled a 27-yard field goal. East Mississippi countered with a 78-yard kickoff return and a TD. Jojo Wright kept the PAT out of the end zone with a smashing solo tackle.

Byrd and Carroll struck with a combination of a 28-yard pass and a 15-yard TD pass. Kevin McCarthen hit Michael Crenshaw for a 15-yard completion, setting up Jenkins for a 22-yard FG. Northwest headed for the Gulf Coast game with a 2-0 record.

Nationally Ranked Rangers Defeat Bulldogs

The Northwest Rangers went into the Gulf Coast game with a ranking of 5th nationally and came out with a record of 3-0.

"Somebody must think we're pretty good, but we've got a lot of proving to do," stated Head Coach Bobby Franklin of the ranking.

After a scoreless first quarter, a Gulf Coast Bulldog picked off a pass by Byrd and ran for the touchdown.

Northwest evened the score with 47 seconds remaining in the half when Dan Footman scored on a 1-yard plunge. Claude Locke provided the PAT.

Two plays later Steve White pulled down an interception which led to the touchdown by Corey Jones with three seconds left in the half. Once again Locke added the PAT leaving the Rangers up 14-7.

An 84-yard march by the Rangers sparked early in the third quarter, ended with Footman's second touchdown of the night. The PAT was made good by Lynn Jenkins.

Jim Bellany recovered a Bulldog fumble on the next possession. Byrd and Wesley Carroll connected with an 18-yard touchdown to pad the Ranger lead, and again Jenkins added the PAT.

Gulf Coast retaliated in the fourth scoring 13 points, but they were defenseless against Carroll's eight receptions for 150 of the total 197 yards and a Ranger rushing attack of 168 yards.

The Rangers scored once more on a 5-yard keeper by Byrd followed by Jenkins third PAT of the night. The Rangers overcame the Bulldogs with a 35-20 win and an unblemished record of 3-0.

Rebel Hall of Famer

On Sept. 3, 1988, Ranger Head Coach Bobby Franklin was among 24 new members inducted into the University of Mississippi Athletic Hall of Fame at the Ramada Renaissance ballroom in Jackson before the Ole Miss-Memphis State game.

"I'm surprised and proud," said Franklin concerning his newly acclaimed honor. "I never thought about being in the same category with some of those people. I guess it's the highest honor I've ever received."

Franklin added his Hall of Fame honor to a long list: former All-Southeastern Conference quarterback for the Ole Miss Rebels, MVP in the 1958 Gator Bowl and 1960 Sugar Bowl, member of the College All-Star

team that played at Soldier Field in Chicago against the World Champion Baltimore Colts.

After his college career, he added even more to his list of accomplishments. He joined the ranks of the pros, playing with the Cleveland Browns. In 1967 he left to join Georgia Tech as assistant coach. The following year he returned to the pros as a defensive backfield coach with the Dallas Cowboys, earning two Super Bowl rings during his tenure there.

In 1972 he joined the Baltimore Colts staff, then entered private business, and in 1979 joined the Ranger coaching staff as offensive coordinator. In 1981 Franklin moved up to the head coaching job.

Franklin's eight years as head football coach for Northwest have brought the Rangers the 1982 national crown, two region and two state titles, and three division championships. The 1987 squad captured the North Division, State, and Region 23 titles under his direction. The Rangers finished 10th in the final national rankings, and Franklin was named Coach of the Year from Region 23. Of course, he's always "Coach of the Year" to us Rangers!

Undefeated Rangers Top North Division

The Rangers moved to the top of the North Division standings with a 31-27 victory over the Holmes Bulldogs.

Both teams went into the game with 3-0 records. Only the Rangers came out an undefeated 4-0, but not without a battle.

Holmes had the momentum in the first quarter with a touchdown, PAT and a field goal.

The initial points came after a hand-off to Crenshaw and a field goal by Jenkins. The Rangers took the second quarter when Byrd found Dexter Evans on the option, and an 85-yard touchdown run by Evans resulted. Then Jenkins added the PAT. The Rangers moved ahead 14-10.

Jenkins again added three points to the scoreboard with a 41-yard field goal and two minutes later Corey Jones dived from the one for the third Northwest touchdown. The Rangers left the field at 24-10.

In the third quarter Holmes retaliated with 14 points — the first six on a blocked punt, and the second touchdown with a quarterback sneak from the one. The two-point conversion was good — a tie ballgame 24-24.

The Bulldogs pulled ahead with a 41-yard field goal. Then Bulldog passes were broken up by Eric Chalk and Steve White, who intercepted with 22 seconds left in the game. Evans brought the winning touchdown with a plunge from the one and the Rangers emerged victorious with a 4-0 record.

Homecoming Ends In Defeat

Ranked No. 2 in the nation Northwest faced a Homecoming battle against the 8th ranked Co-Lin Wolves.

Co-Lin's attack began on a 76-yard punt return for a TD.

The first quarter saw Northwest within field goal range twice, but both attempts were wide left.

Following a Ranger fumble the Wolves booted a 40-yard field goal. "The turnovers were what beat us," said Coach Franklin.

Northwest got its first break when linebacker Devin Coleman intercepted a Wolves' pass and carried it 31 yards for a touchdown. Jenkins added the extra point.

Early in the third quarter Bobby Byrd hit James Wright for a 14-yard strike, then Dan Footman moved the ball 14 yards, setting up Claude Locke with a 25-yard field goal. The Rangers evened the score 10-10.

Co-Lin drove deep into Ranger territory for a touchdown.

Trailing 17-10, Kevin McCarthen connected with receiver Wesley Carroll for a 38-yard touchdown strike with 38 seconds remaining in the game. Rangers attempted the 2-point conversion, but a pack of Co-Lin Wolves swarmed McCarthen, knocking the ball loose and preserving their one-point victory.

Rangers Overcome Delta Rivalry

Northwest improved its record with a 17-7 victory over Mississippi Delta. Coach Bobby Franklin said afterwards, "We've got a big rivalry with Delta," he continued, "we played ragged, we've got four starters out. My big 6'7", 255 tight end (Craig) Malone was out; Mike Pugh stepped in and did an excellent job."

Delta scored early in the first quarter on a 39-yard run, but the Ranger defense held them scoreless for the remainder of the game.

The score was evened by Byrd after a crucial third down catch by Wesley Carroll. Claude Locke added the PAT.

Locke gave Northwest its first lead after a scoreless 2nd quarter, on a 23-yard field goal that was set up when Joel Gallagher blocked a punt deep in Trojan territory.

Another Ranger touchdown was added when Byrd found the end zone from six yards out. Locke was good with yet another PAT.

Offensive lineman Eddie Blake caught the Trojans napping and crashed through with a 10-yard run. The game ended with a 17-7 Ranger victory, and the Rangers moved back up the national rankings to number 8.

Victory Over Coahoma

The Rangers' 14-0 victory over Coahoma came with touchdown receptions of 72 and 40 yards by Wesley Carroll.

After four consecutive first-quarter Ranger drives ended with punts, Bobby Byrd connected with Carroll for a 72-yard touchdown pass.

The Ranger offense stalled for the next two quarters, but the defense held stiff against the Tigers' passing attack.

In the fourth quarter after an interception by Eric Chalk and a fumble recovery by Jim Bellamy, Northwest added another touchdown when Kevin McCarthen hit Carroll with a 40-yard pass.

Northwest carried its overall 6-1 record and 4-0 division record to Hinds the following Saturday.

Fourth Quarter Battle Ends With A Ranger Win

Northwest came out on top once more after a fourth quarter battle for a 24-10 victory.

The Ranger offense struggled early in the game, enabling Hinds to gain a 10-point lead at the half.

Bobby Byrd, ranked third in the nation in total offense, came out runnin' and gunnin' the second half.

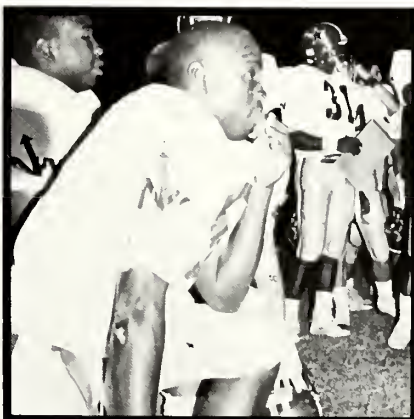

The Rangers marched 63 yards to set Claude Locke up for a 25-yard field goal, after a crucial 11-yard strike to Craig Malone.

Later in the third, Byrd hit Malone again for an 18-yard touchdown pass, evening the score 10-10.

Northwest then marched 80 yards for a touchdown by Mike Crenshaw, giving the Rangers a 17-10 lead.

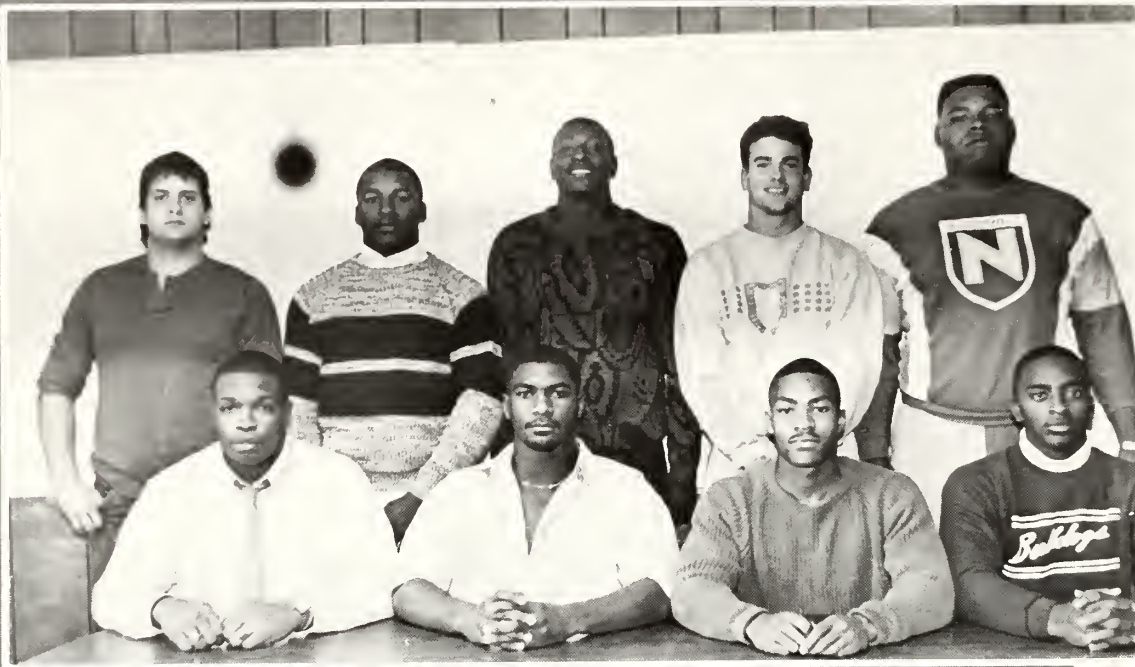

With less than three minutes left in the game, Hinds found a receiver on the Northwest five. Unfortunately for Hinds they had too many men on the field and it was brought back.

The next play found the Ranger defense corralled on the Hinds' quarterback. Four plays later Crenshaw sealed the Ranger victory with a touchdown plunge.

Northwest Tries For North Division Title

In a second half display of power, Northwest may have locked up the North Division title with a 31-10 victory over the Northeast Tigers.

A fumble recovery by Mose Holts set up a 13-yard pass to Craig Malone and a PAT by Claude Locke. Northwest went to the locker rooms at the half trailing 10-7.

The Ranger team hit a comeback in the third quarter, adding 17 points to their score, beginning with a field goal by Lynn Jenkins.

A partially blocked Northeast punt left the Rangers on the Tiger 36. Byrd nailed Carroll with a first down on the 13. Crenshaw rushed to the 3 before adding his touchdown on the next play.

Less than a minute later, James Wright blocked a Tiger punt to set up Byrd's touchdown on a 5-yard keeper.

Capping the score was a 33-yard dash by Dexter Evans after Corey Jones had marked off 47 yards rushing to set up the touchdown.

The Ranger defense held Northeast scoreless from the first quarter, leaving Northwest with a whopping 31-10 victory over the Tigers.

Rangers Suffer Second Loss

Sixth ranked Northwest, unable to come back after a sluggish first half effort, suffered its second loss of the season to Itawamba 24-17.

"We got our tails kicked. We were outplayed in every phase of the game," said head coach Bobby Franklin.

Northwest struck early in the first quarter with quarterback Bobby Byrd on a 44-yard keeper.

Itawamba then took control adding 10 points in the first quarter.

The Rangers put together an extended drive late in the first half, but ended when the Indians held on a fourth and one.

Itawamba then led a 90-yard scoring drive.

With 24 seconds left in the half, Locke cut into the Indians' lead with a 43-yard field goal.

The momentum shifted momentarily to the Ranger side of the field in the third quarter when Joel Gallagher squirted through the line and blocked a field goal attempt.

Byrd then hit Wesley Carroll for a 21-yard gain, and Dan Footman picked up 13 and 20 yards in consecutive rushes.

Byrd then drove in for the touchdown, closing Itawamba's lead to 24-17.

The Indians managed to keep the Rangers out of the end zone for the remainder of the game, and Northwest suffered defeat.

Playoffs Find Rangers Taken By Storm

Tornado sighting, high winds, and a driving rain storm delayed the playoff game for an hour.

Early in the game Hinds put seven on the board after a 15-yard penalty on the Rangers.

The Eagles added a field goal to their score in the second quarter.

Late in the first half Ranger quarterback Kevin McCarthen hit wide receiver Wesley Carroll with a 16-yard pass and the Rangers' initial first down. Hinds held through third and eight and then blocked Malone's punt to set up another Eagle touchdown. Halftime left the Rangers scoreless 17-0.

The rain ended, but the Eagle attack persisted with 10 more points in the third quarter.

Northwest offense started to click in the fourth quarter when McCarthen hit Malone with two 1st-down passes. Runningback Dan Footman moved the ball to the six, then to the three before a Ranger fumble was recovered by Hinds.

The Rangers couldn't stop the mudslide 27-0 victory by the Eagles.

Seven Rangers Sign

Seven Northwest Mississippi Community College football players signed national letters of intent on Dec. 14 with three colleges — the University of Miami, U.T. Martin, and Southwest Baptist.

Going to Miami for the spring semester are Jojo Wright, defensive back from Horn Lake; Bobby Byrd, quarterback from St. Petersburg, Fla.; and Wesley Carroll, wide receiver from Cleveland, Ohio. They will be joining 1987 teammate defensive tackle Cortez Kennedy on the Florida campus.

Craig Malone, tight end from Greenville, Tenn., and Stacey Cox, offensive lineman from Villa Rica, Ga., signed with U.T. Martin. Southwest Baptist in Bolivar, Mo., selected Mose Holts, defensive end from Independence, and Lee Boylan, offensive lineman from Horn Lake.

"Our objective is to try to place as many athletes as we can in Division I schools," said Northwest Head Football Coach Bobby Franklin. All of the group will be transferring for the spring semester except Cox, who will be completing his work on the Senatobia campus before heading to Martin.

"It is a big plus for them to be on campus for spring practice," said Franklin. "We anticipate that five or six other players will be graduating at the end of the spring semester and going to higher level football."

Wright also received notice this week that he has been named to the 1988 Scholar/Athlete All-American team sponsored by J. C. Grid-Wire. "Only 27 junior college players from across the nation were selected for this honor," said Franklin. The 6-1, 200-pound sophomore was chosen first team All-State and All-Region 23. "He's the fastest man on the team," said Franklin, "and he's an outstanding hitter."

NJCAA All-American Carroll had "an outstanding year," according to Franklin. The 6-0, 185-pound wide receiver caught 38 passes for 790 yards in the Rangers 8-3 season. His return yardage totaled 671 yards, and he made seven touchdowns. Carroll was named first team All-State and All-Region 23 and was chosen to play in the Mississippi juco All-Star game.

Byrd, also an All-Star, was honorable mention All-State. The 6-0, 195-pound quarterback tallied 14 touchdowns this season — eight passing and six rushing. His total rushing yardage was 704, and he passed for 920 yards.

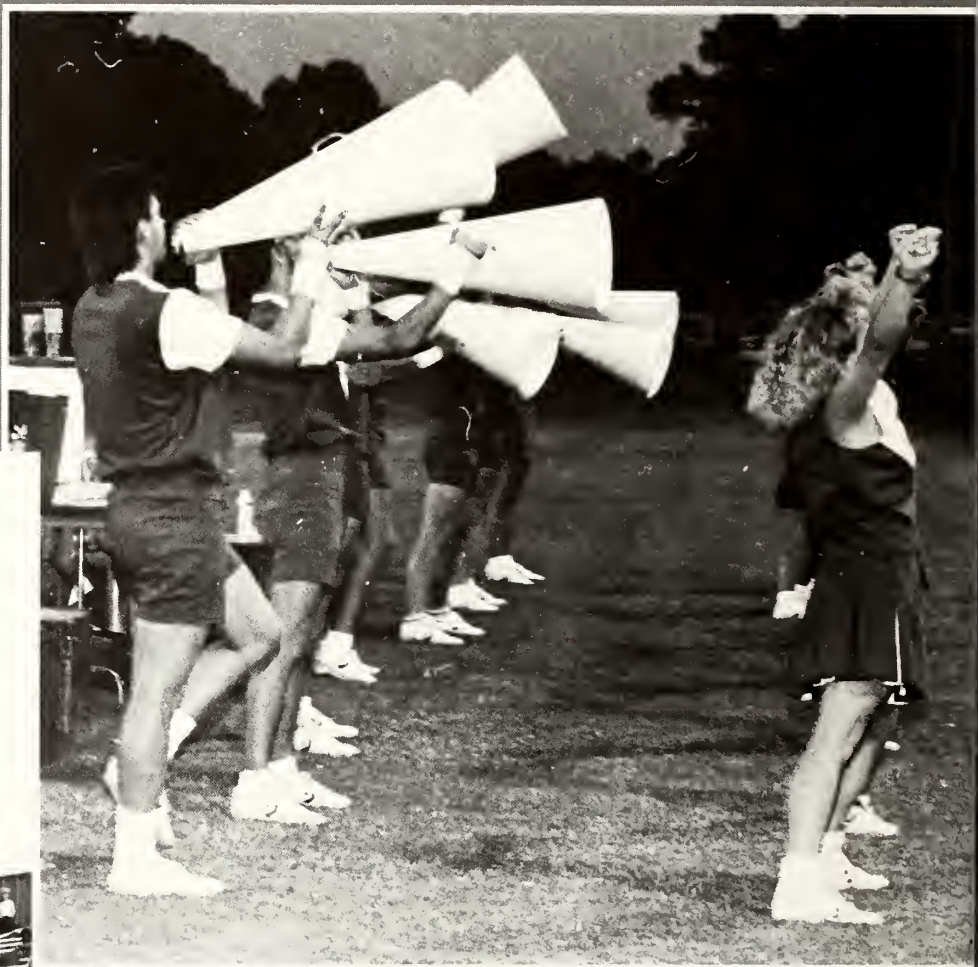

The 6-7, 255-pound Malone is relinquishing his spot on the 1988-89 Ranger basketball team to go to U.T. Martin. He received All-State second team honors. Cox, an All-State honorable mention and All-Star selection, is 6-5 and weighs 265 pounds.

Holts, a 6-1, 215-pounder, was chosen for the All-State second team on defense, while Boylan, 5-11, 245-pound lineman, was named to the All-State second team on offense. Both will take their talents to Southwest Baptist.

LADY RANGER

BASKETBALL

November 18, 1988

With four people in double figures and 98 points on the scoreboard against Southwest, Northwest Mississippi Community College Lady Rangers' Coach Don Edwards conceded that "we had a bunch of people who played good." The Lady Rangers went 2-0 with their 98-65 win the home opener Nov. 17.

"We've played pretty well our first two ball games," Edwards said about the 30-plus margins of victory over Shelby State and Southwest. Top scorer in Thursday night's performance was Linda Graves, 5'10½" sophomore forward from Milan, Tenn., with 24 points.

Two players added 17 a piece — Brenda Hatchett, 5-footer freshman guard from Memphis, and Tricia Howard, 5-9 freshman forward from Milan, Tenn. Hatchett tossed in three 3-pointers on three attempts. Also in double digits was sophomore guard Yolanda Gipson of Oxford.

Completing the Lady Rangers' offensive attack were: Tabetha Budwine of Starks, La., eight; Toni Williams, Memphis, six; Rosella Houston, Oxford, six; Shelia Liggins, Byhalia, four; and with two points each, Pam Abram of Como, Pam Campbell of Water Valle, and Tealisha Starks of Oxford.

Dominating the entire game, the Lady Rangers led at halftime 52-39. For Northwest Howard was leading rebounder with 14; Graves got nine.

January 13, 1989

Coach Don Edwards' Lady Rangers are "trying to get it together" without sophomore starter Linda Graves, who is recuperating from knee surgery. "She may be able to practice in a couple of weeks," said Edwards, "but time may catch up with us."

Northwest is currently 8-3 on the season after a 75-64 win over East Mississippi Jan. 10 and an 81-73 loss to Coahoma Jan. 12.

Tricia Howard and Toni Williams shared top honors with 18 points each against East Mississippi. Also in double figures for Northwest was Pam Abram with 11 points.

Against Coahoma, Crystal Turner improved her performance to lead the Lady Rangers with 17 points and nine rebounds. Howards and Williams each provided 15, and Tabetha Budwine delivered 12.

February 3, 1989

Northwest's Lady Rangers dropped to 5-6 in the North Division and 10-6 overall with two losses on their home court this week. Northeast prevailed with a 76-66 victory on Jan. 30, and East Mississippi won at the wire 67-65 on Feb. 2.

"We have not played well for two games in a row," said Northwest Coach Don Edwards. "There are times we just seem to stand there and don't do anything."

Sophomore Linda Graves, who because of knee surgery had not been off the bench since the holidays, got some playing time in both games, but she was held to eight points against Northeast and 11 against East Mississippi.

In a nip-and-tuck battle with the Lady Lions from Scooba, Northwest led at halftime 32-29. Second half action saw East make up the deficit and outscore the Lady Rangers 38 to 32.

With :19 left on the clock and the score at 65-66 East Mississippi, Graves went to the line for the Lady Rangers and missed both ends of a one-and-one. The final point for the Lady Lions came from Ruthie Farmer, who picked up one of her two at the charity stripe.

Northwest's Tricia Howard led all scorers with 15 points. Also in double figures for the Lady Rangers were Lisa Gipson with 12 and Graves and Crystal Turner with 11 each.

After a half-time lead of 40-39 over Northeast, the Lady Rangers began slipping around the 12-minute mark when the score was tied at 53. With five minutes to go, Northeast led by nine, and seven points was as close as Northwest got before losing by 10.

Northwest's Howard topped all scorers again with 23 points. The only other Lady Ranger in double figures was Williams with 12. Matching Graves' eight was Budwine.

February 10, 1989

In the final regular season game, the Lady Rangers saw a 16-point halftime lead reduced to a 72-67 defeat at Coahoma in Clarksdale on Feb. 7.

A matched offensive attack by Tricia Howard and Crystal Turner with seven field goals each put 28 points on the board for Northwest in the first half. At the final buzzer, Turner had compiled 24 points and Howard 20.

Trouble came from a second-half show by Coahoma's Cheryl Furdge, who totaled 25 points on the night.

Helping the Northwest scoring effort were Tabetha Budwine, eight; Toni Williams, seven; Lisa Gipson, six; and Shelia Liggins, two. Howard pulled down 10 rebounds to lead the Lady Rangers.

The Lady Rangers wrapped up the regular season with an overall record of 10-7.

February 17, 1989

At the buzzer the fifth-seeded Lady Rangers fell to fourth-seeded East Mississippi 76-74 in first-round action of the North Division tournament Feb. 13 in Howard Coliseum.

Coach Don Edwards' Lady Rangers led by four points at halftime, 37-34, and had a six-point advantage with 1:50 left to play. A 3-pointer by the Lady Lion's Necole Ellis cut the score to 66-63, but Toni Williams picked up two at the line for Northwest.

With one minute on the clock, a 3-pointer by East's Yolanda O'Neal tied the score at 68. Then Williams sank two more from the charity stripe with the clock holding on :48. Lisa Gipson was fouled, and she added two more from the line for a 72-68 Lady Ranger lead.

East Mississippi's Kim Durden hit a basket at :27; Northwest lost the ball, and Ruthie Farmer's field goal put East in front 73-72 with 12 seconds to go.

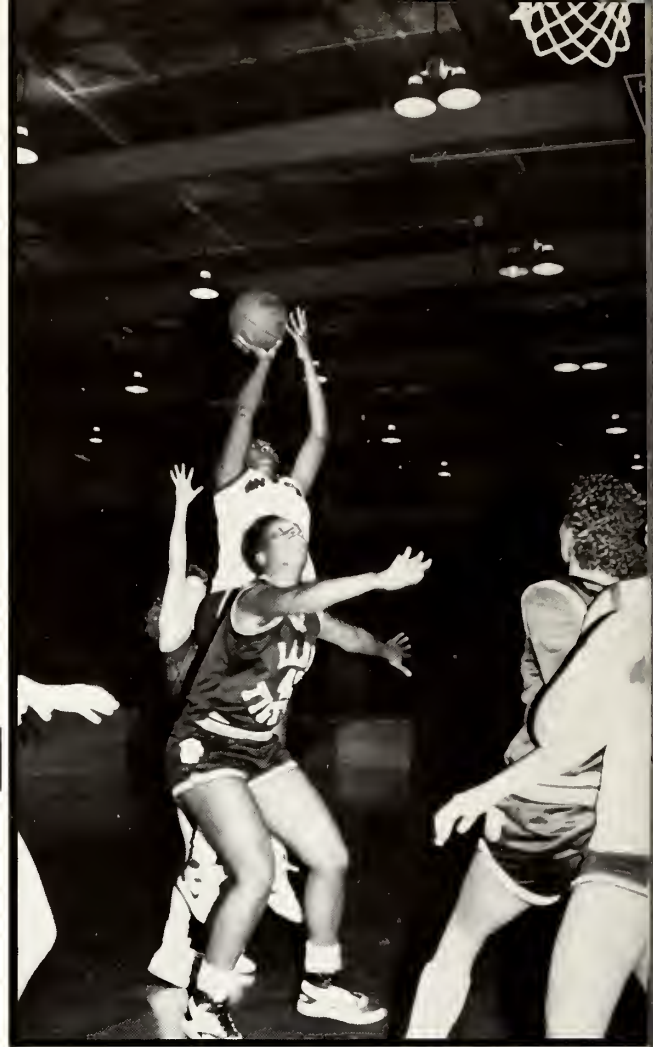

February 17, 1989

Tricia Howard's free throws moved the Lady Rangers back to the lead at the eight-second mark. However, as the buzzer sounded Jessica Whitsett's jump shot found the goal for two points; her foul shot added one more.

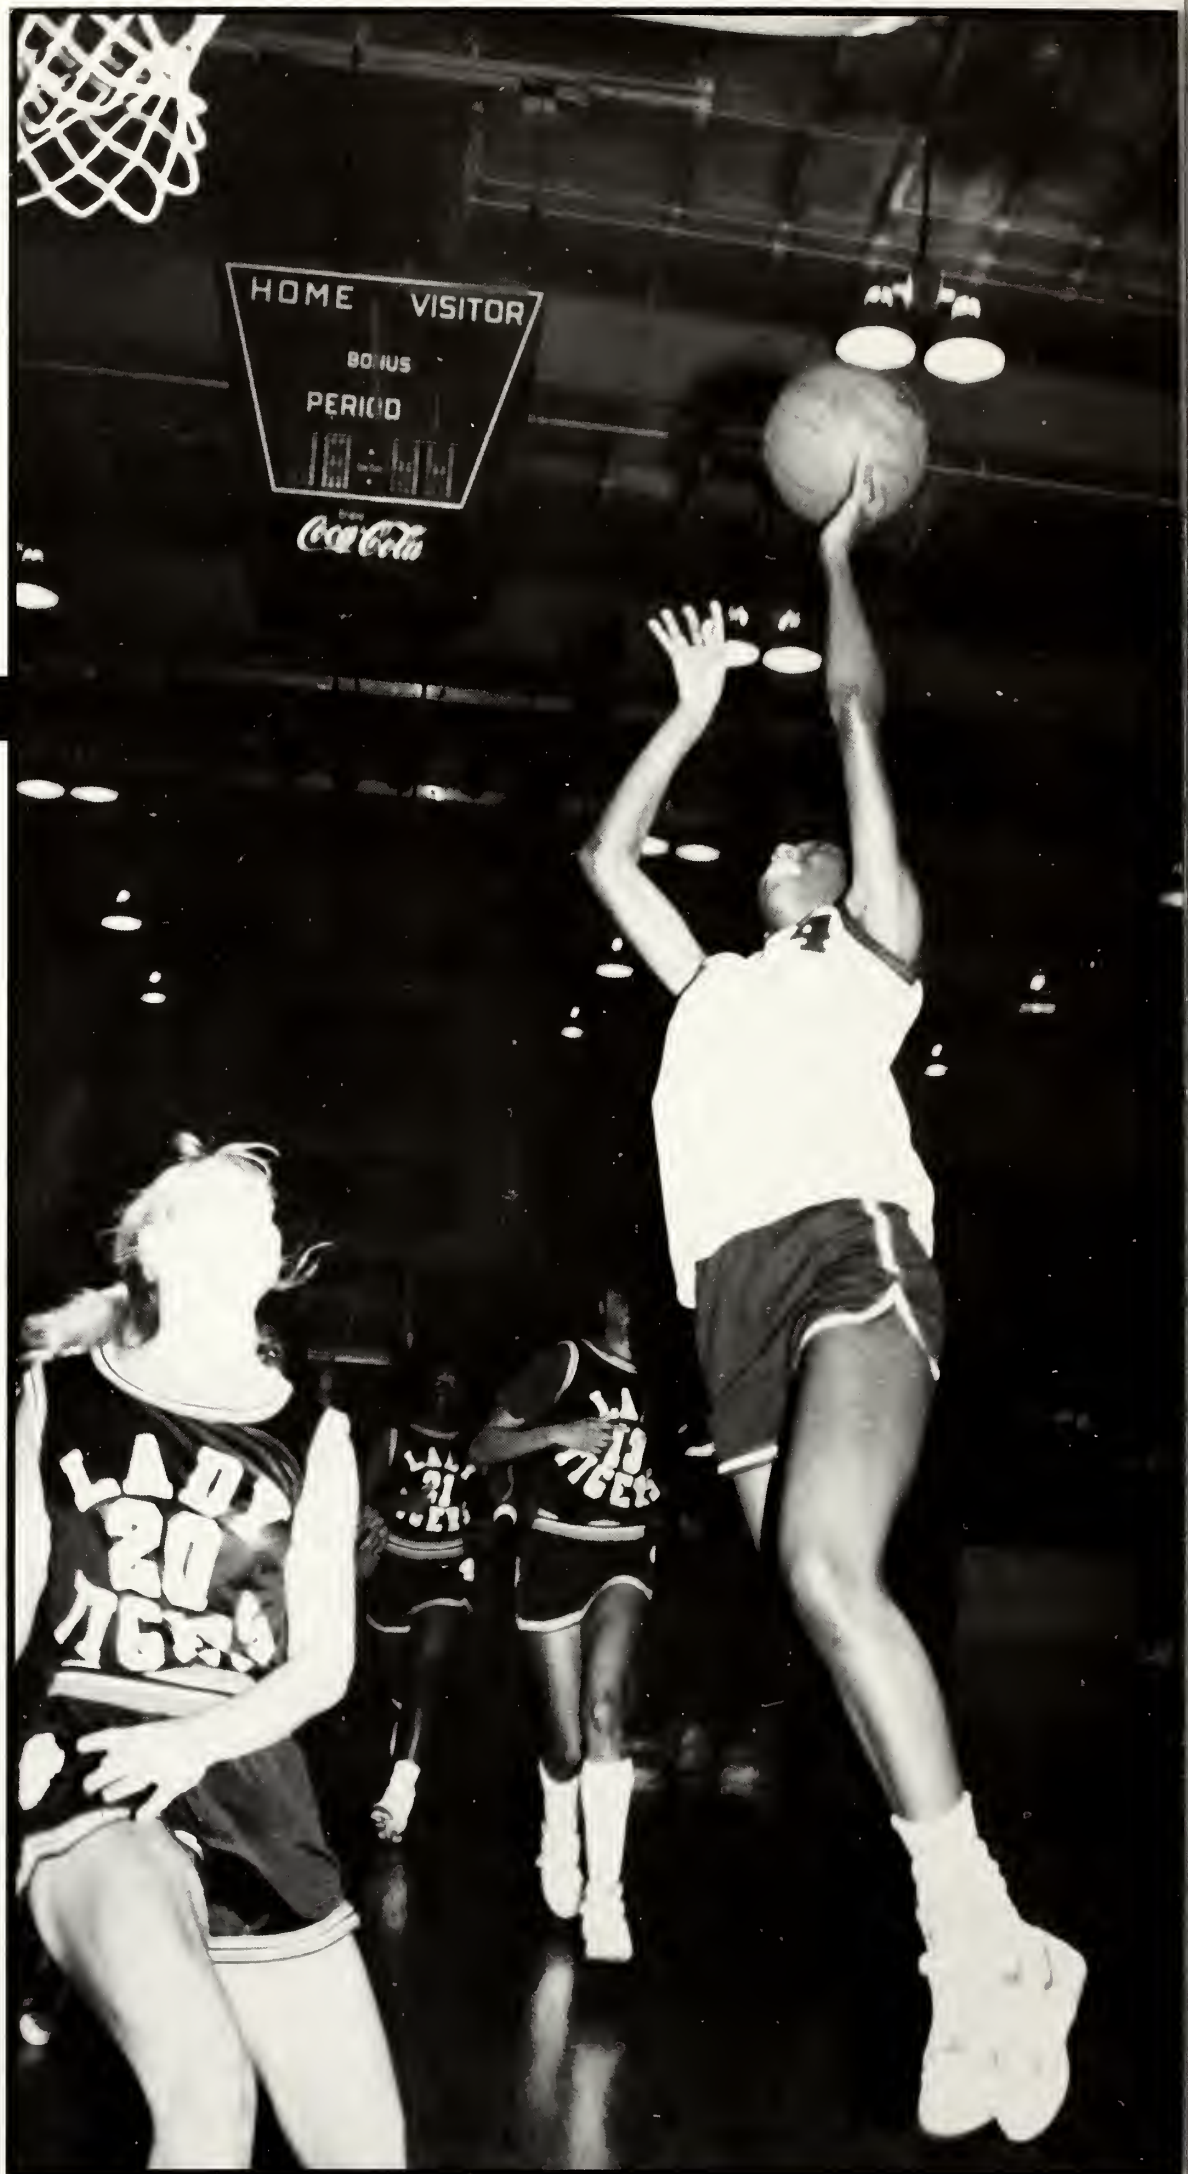

Northwest had four players in double figures: Crystal Turner, 16; Gipson, 15; Tabetha Budwine, 13; and Howard 12. Williams added eight, Linda Graves six, and Pam Abram, four. Turner was top rebounder with 18; Gipson pulled down 10.

RANGER

BASKETBALL

November 18, 1988

In spite of top-notch performances by sophomores Lester Rose and John Williams, Northwest Mississippi Community College was edged 84-81 by Southwest Mississippi in the home opener Nov. 17 in Howard Coliseum.

Rose a 6-5 forward from Milan, Tenn., led all scorers with 25 points, and Williams, 6-4½ forward from Webb, added 21 including two 3-pointers. Also in double figures was Greg Chapman, freshman guard from Batesville, with 10 points.

"In spite of the loss, I thought we played hard," said Ranger Coach Kenneth "Cat" Robbins. "We made some crucial mistakes at the wrong time — like bad passes, missing good shots, and going for bad ones. But we played so much better than we did against Shelly State, I could hardly be disappointed with the loss."

Northwest's record at this point is 0-2; Southwest went 4-1.

Southwest jumped out in the game with 13 quick points to the Rangers' four. Then by halftime the game was tied at 37. The second half stayed close all the way with Southwest leading 83-81 at the 14-second mark. Southwest's Johnny London went to the line and added one point.

Freshman guard Lee Herrod of Calhoun City tried to send the game into overtime, but his long shot failed to drop in. He provided eight points for the night. Also contributing to the Rangers' 81 were Kevin Johnson of Batesville with seven; Brian Crossno of Senatobia, Mo., with six; and with two each Bart Littrell of Collinswood, Tenn., and Tyrone Kelley of Water Valley.

January 13, 1989

After losing five players at the end of the fall semester, the Northwest Rangers surprisingly appear to be turning around a previously dismal season. Two games this week netted an 87-77 win over Coahoma and an 85-79 loss to East Mississippi.

"We played a pretty good game against Coahoma," said Coach Kenneth Robbins, "but I thought the game against East Mississippi was the best game we've played all season."

That game in Scooba on Jan. 10 was the first test for Robbins' new group that includes Tim Hunt from Memphis (Mitchell) and former manager Bernard Golliday of Calhoun City.

Missing from the current lineup are Craig Malone of Greenville, Tenn., who transferred to U.T. Martin on a football scholarship, and four who lost their eligibility because of grades. "Four of these five started at one time or another," said

Robbins.

No one was mourning their absence, however, when five Rangers hit double figures against Coahoma on Jan. 12. Lester Rose and Brian Crossno tossed in 20 points apiece, while newcomer Hunt added 19. Rose and Hunt each got a 3-pointer and shared top rebounding honors with eight each.

Greg Chapman totaled 11 points including two 3-pointers. John Williams provided 10 more, completing the scoring were Bart Littrell with four points and Golliday with three.

At halftime Northwest led 47-35. "This was against a team that had beaten Shelby State twice," said Robbins. "We were pleased with the win."

At East Mississippi Rose and Williams were the hot hitters for the Rangers. Rose bucketed 30 points including one 3-pointer, while Williams dropped in 25 points and pulled down 13 rebounds.

Losing two games in a row as the final buzzer sounds is enough to make a grown man cry. Northwest's veteran basketball coach Kenneth "Cat" Robbins isn't crying, but he's still shaking his head over his team's 78-75 loss to nationally-ranked Northeast on Jan. 30 and 79-77 defeat by East Mississippi on Feb. 2.

In a season that surely could use a couple of games in the win column, Northwest keeps getting so close — leading at halftime, losing at the buzzer.

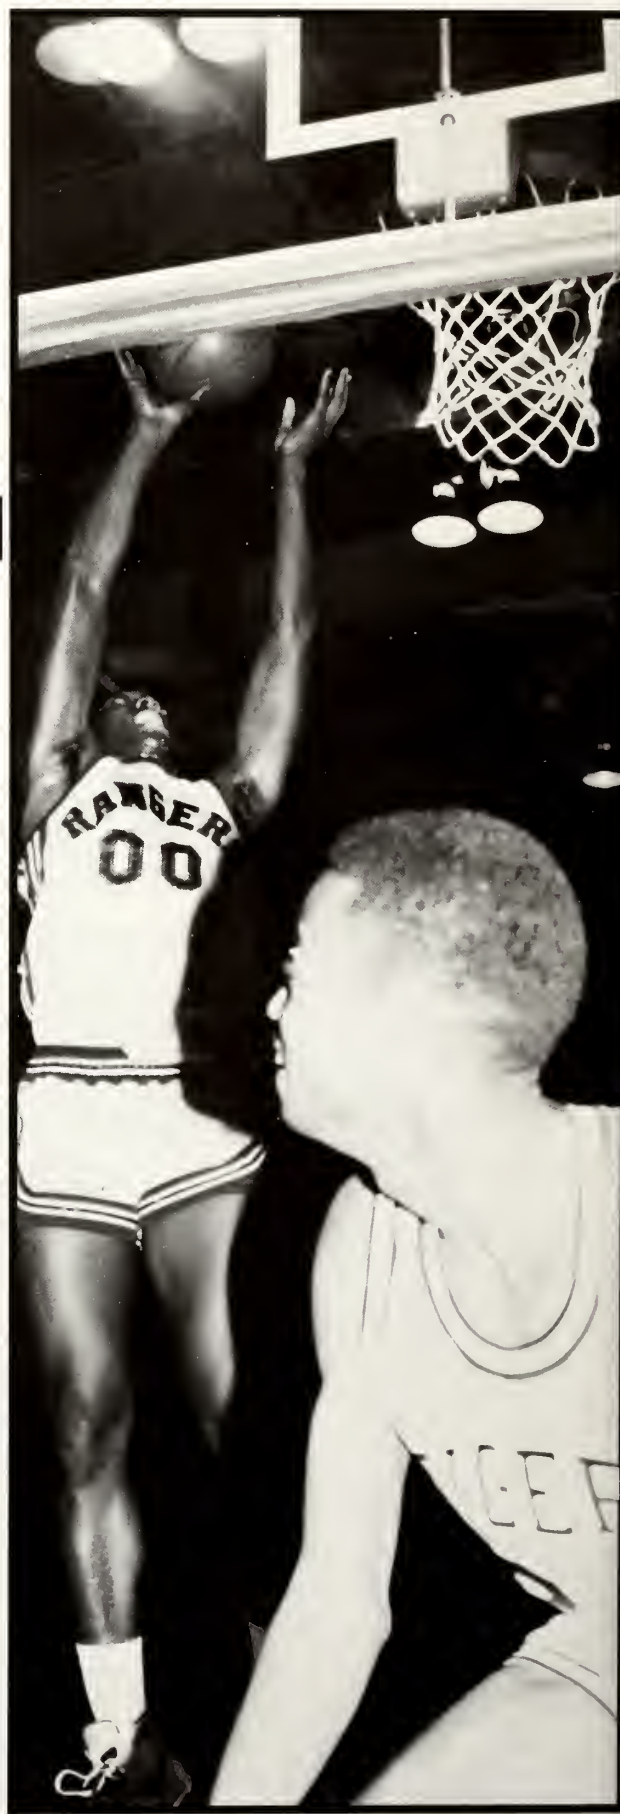

Against a tough Tiger team from Booneville, the Rangers led at the half 39-33 in spite of an early injury to starting center Brian Crossno. Crossno scored just five points before suffering the knee injury that still had him out for the East Mississippi battle.

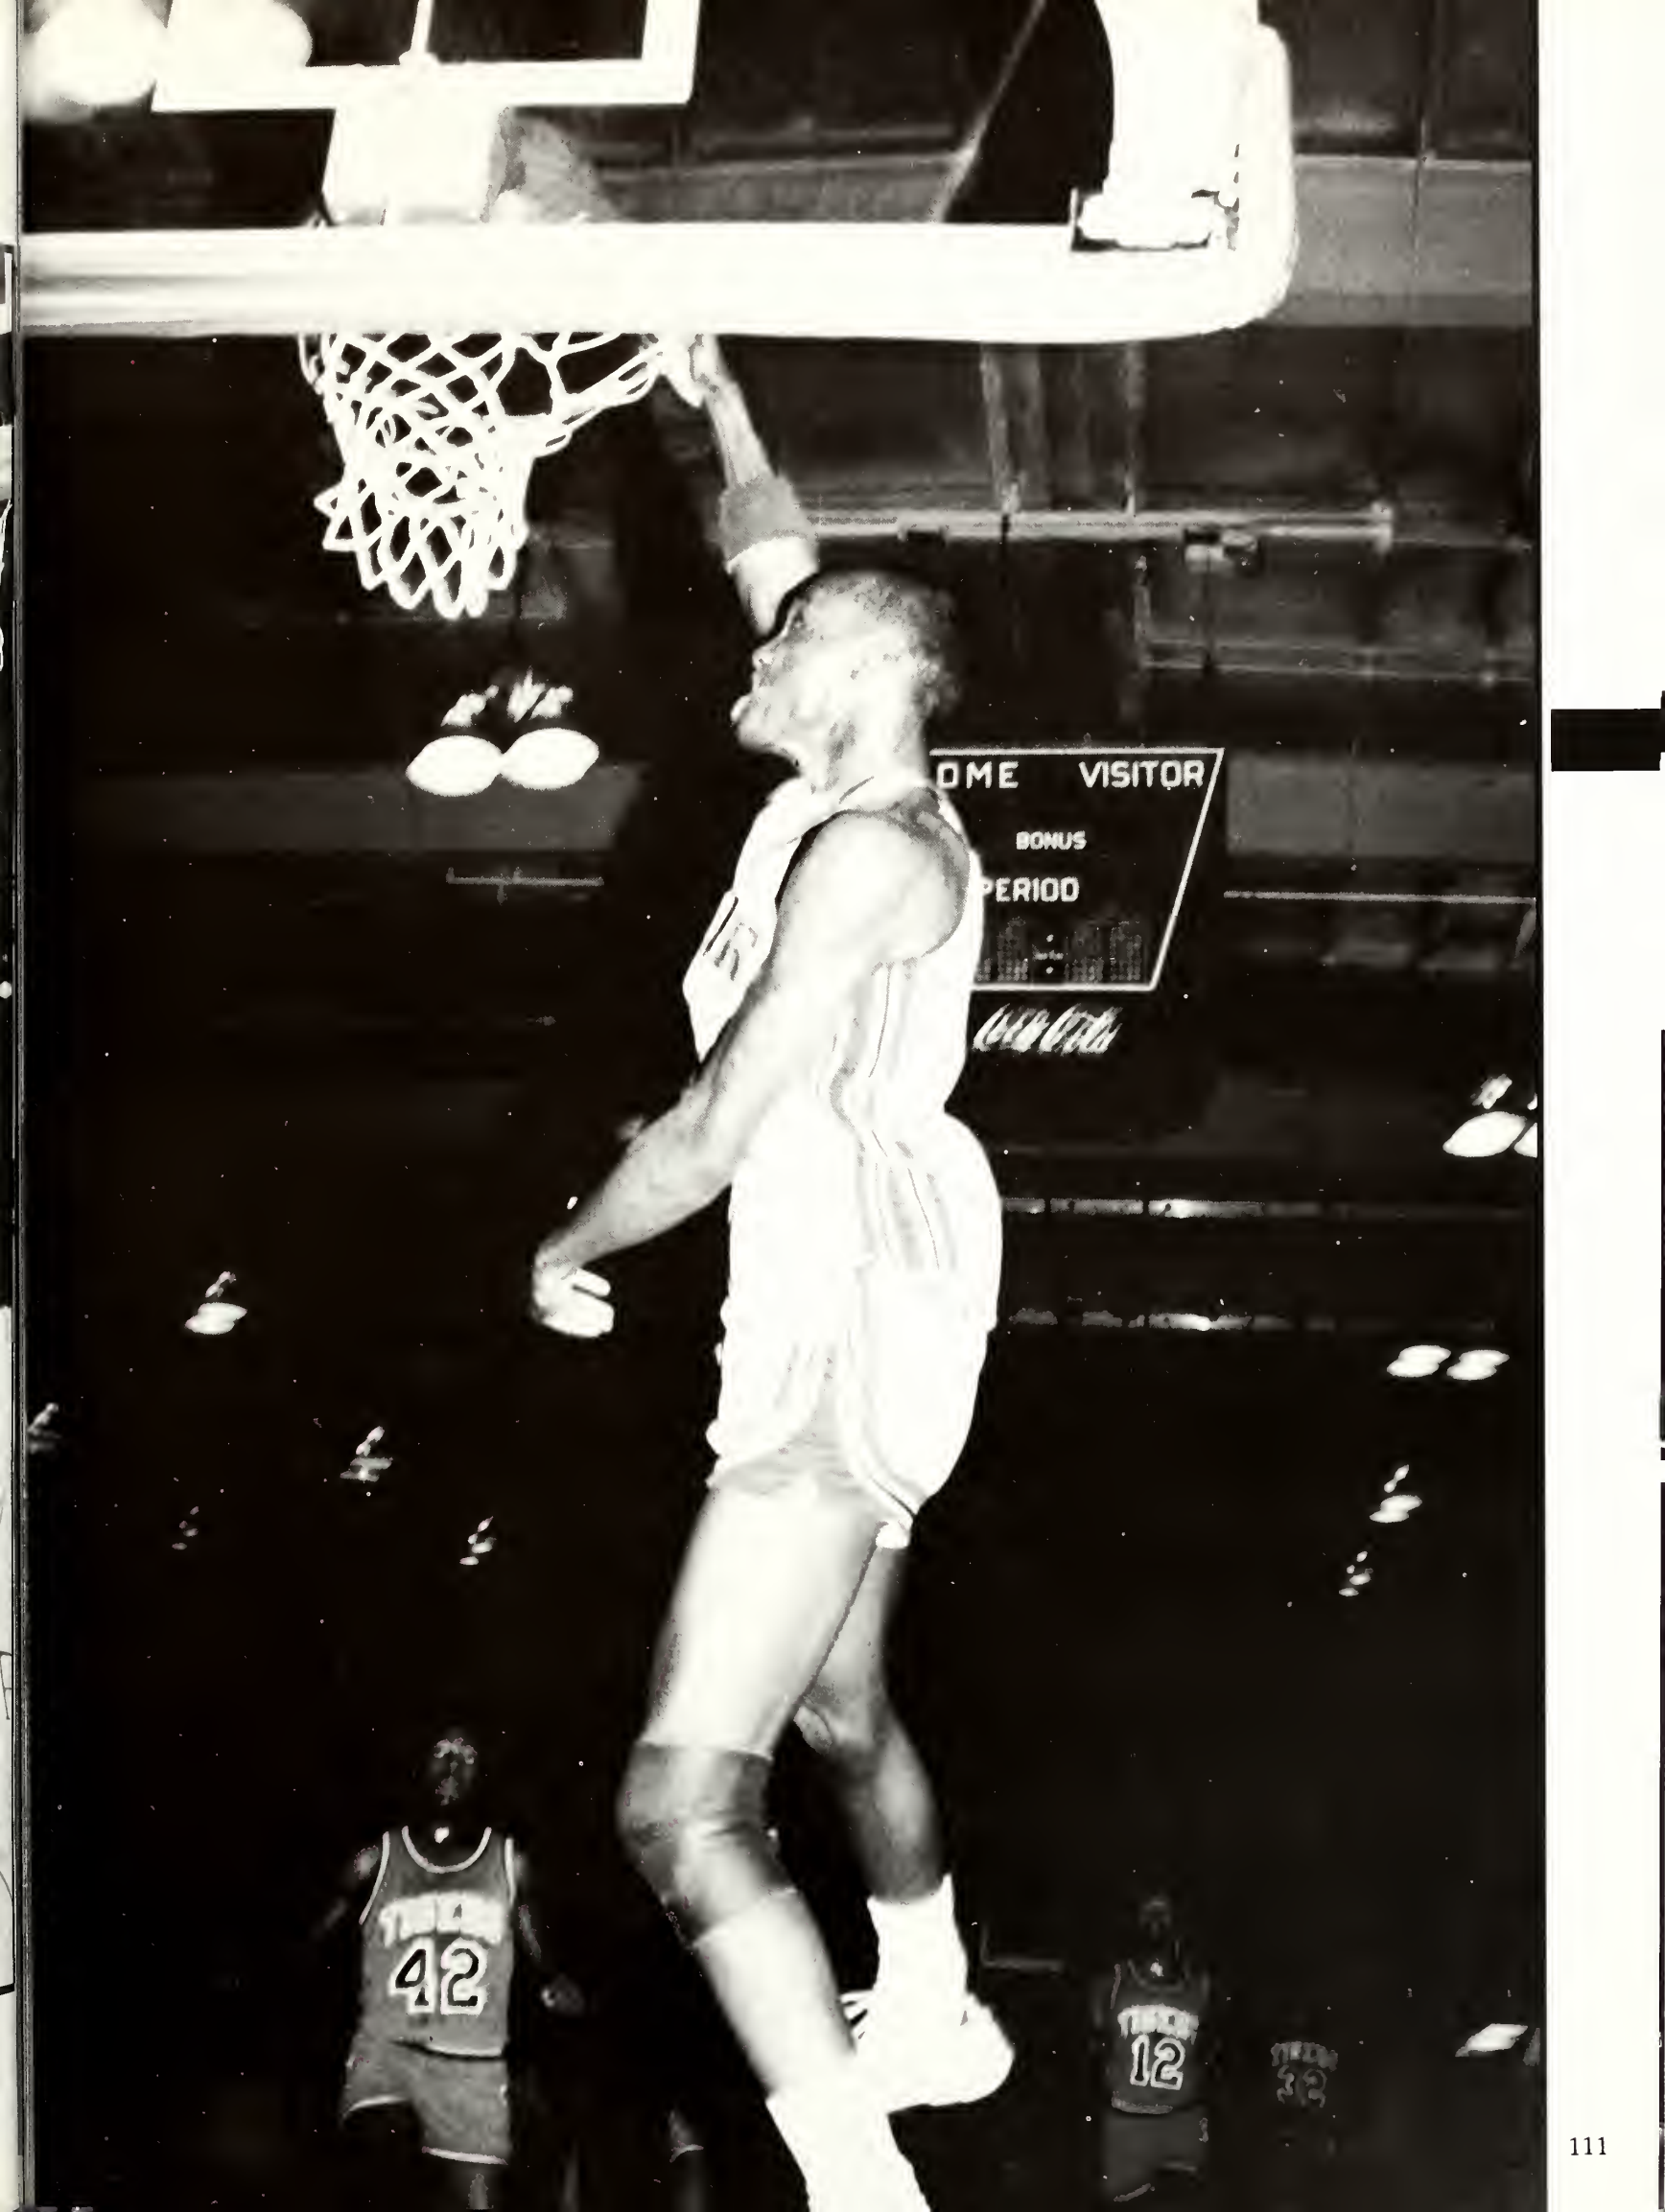

Northeast caught up with just under 12 minutes to play. The score was tied at 57, then at 67 with 7:06 on the clock. The Tigers moved out by six before Lester Rose picked up one at the line. With 1:55 to play, the Rangers trailed 75-70.

The Tigers found two more points, but the Rangers' John "Tree" Williams tossed in a 3-pointer, and Greg Chapman added two with :33 on the clock to bring the score to 77-75.

Tim Hunt fouled, stopping the clock at :06, and Clay Johnson added one from the line for the Tigers. A last-second 3-point attempt by Rose to tie the game barely missed its mark, bouncing off the rim to leave the final score at 78-75.

Rose led all scorers with 21 points. Also in double figures for the Rangers were Hunt with 17 including three 3-pointers and Williams with 16 including two 3-point field goals. Williams was

leading rebounder with nine.

February 3, 1989

Against East Mississippi the Ranger's half-time margin was four points. Swapping baskets throughout the second half, Northwest led 69-68 with 3:30 in the game. At 1:30 to go, the game was tied at 74, and with :20 on the clock the score was 77 all.

Then a shot at the buzzer by the Lions' Tyrone Arrington denied the Rangers a chance at winning in overtime.

In double figures for Northwest were Rose with 21; Chapman with 16 including one 3-pointer; Williams and Littrell with 11 each. Williams also had one 3-pointer and was top rebounder with 14.

February 10, 1989

The Rangers wrapped up regular season play with an 88-71 loss to Coahoma in Clarksdale on Feb. 7. Trailing by only two points at halftime, 41-39, Northwest could not defend a second-half onslaught of 13 points by Romelle Peoples, who had just three in the first period.

Lester Rose paced all shooters with 23 points. Also in double figures for the Rangers were John Williams with 18 and Tim Hunt with 15. Williams was top rebounder with 10.

February 17, 1989

In a North Division tournament filled with well-matched teams and close-scoring

games, the Northwest Rangers saw a 46-43 halftime lead become a six-point loss in the closing seconds of first-round play.

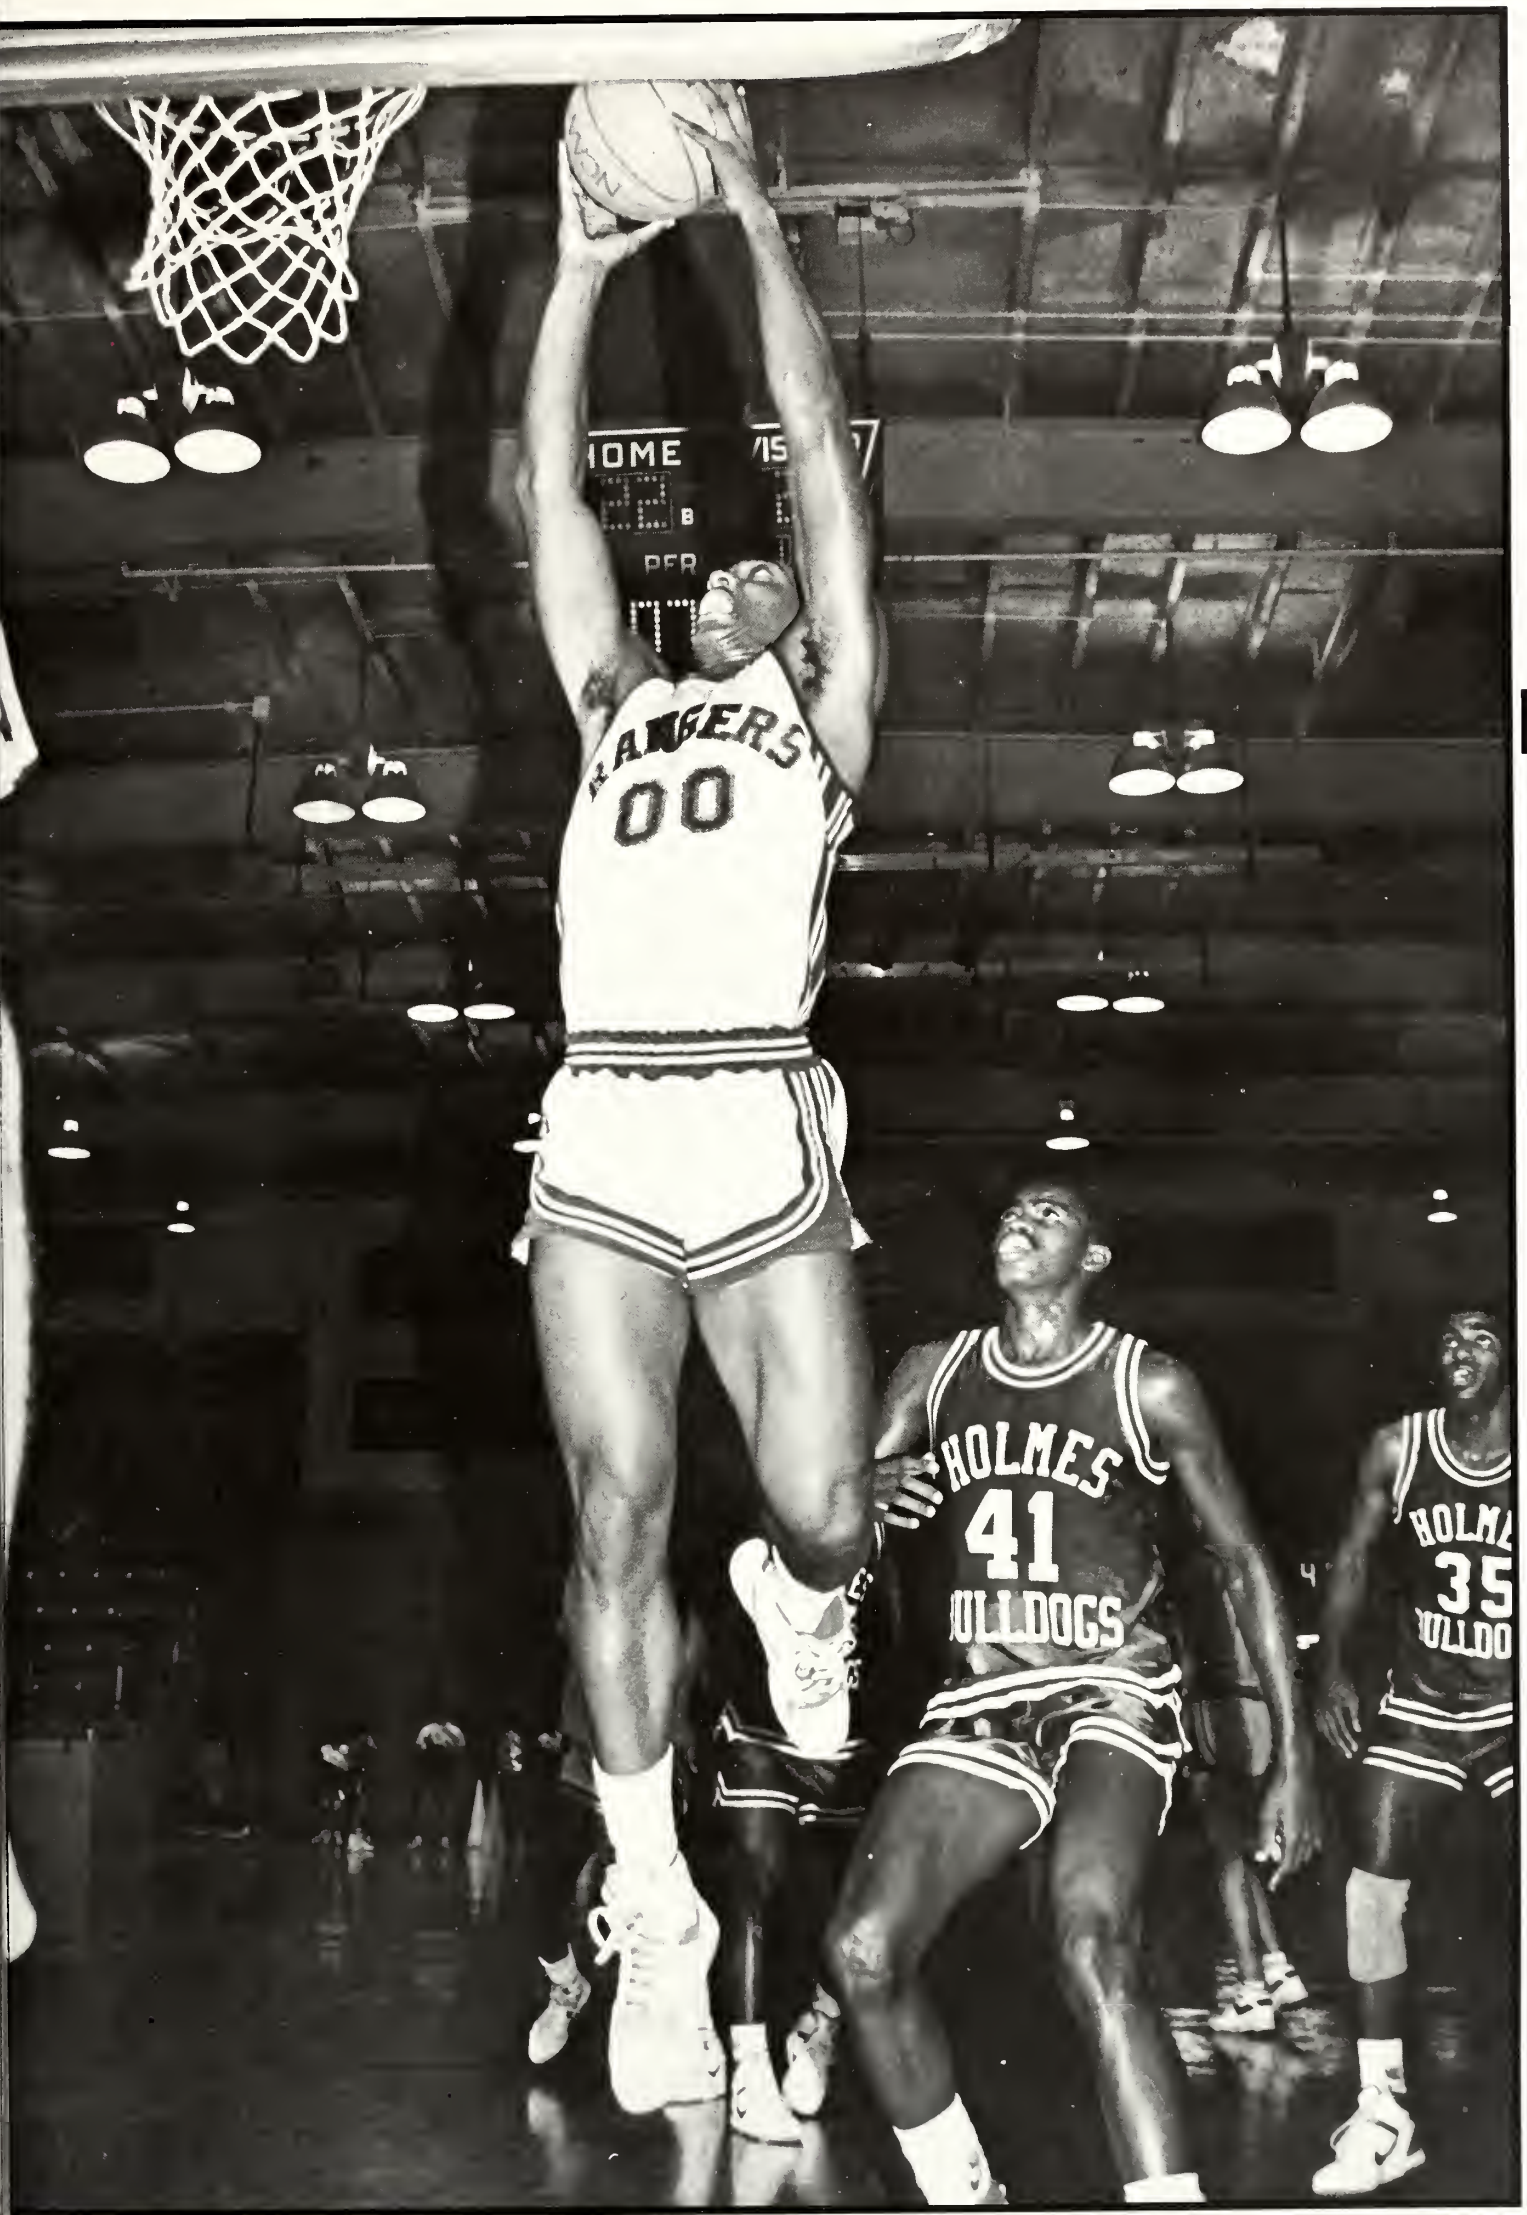

Seeded number seven, the Rangers faced second-seeded Mississippi Delta in Howard Coliseum on Feb. 14 and lost 92-86 at the free throw line in the closing seconds of play. Northwest finished with a 3-16 slate for the season.

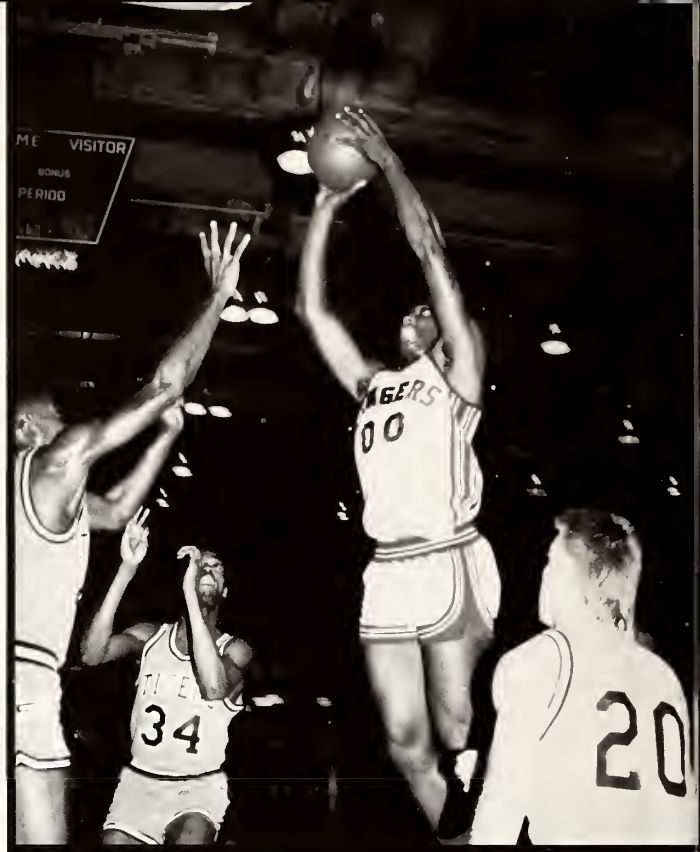

Behind by four with just over a minute to play, the Rangers fouled to stop the clock, but Delta added points on every trip to the line. With :21 on the clock the score was 88-84; as time ticked away the Trojans added four at the line while Ranger standout Lester Rose hit for two points.

But Rose had put on a show for Ranger fans, nailing 18 field goals including one 3-pointer and making four of five free throws for 41 total points. Tim Hunt provided 23.

Completing Ranger scoring were Greg Chapman and Bart Littrell with nine each and John Brown and John Williams with two apiece. Williams got in foul trouble early in the game but was leading rebounder with 10. Brian Crossno has been absent from the Ranger lineup since suffering a knee injury in the last home game.

GOLF

With four of the top five golfers in the state, the Northwest golf team gave coach Don Edwards something to brag about.

Northwest began its second season of intercollegiate golf with second place scores at Gulf Coast, Copiah-Lincoln, and Shelby State. At Henry Horton (Tenn.) the Rangers dropped to third, but they came back with three tournament firsts, including the state championship and the Region 23 runner-up title.

Paul Savage of Batesville won State Medalist honors in the juco tourney at Hinds in April.

Two Northwest players, Savage and Jeff Caldwell of Oxford, came close to making the cut in the NJCAA national tournament in Scottsdale, Ariz. In addition to Savage and Caldwell, the Northwest team included Jay Amis of Senatobia and David Lee of Calhoun City.

TENNIS

The Northwest tennis team was proud to send two players to championship tournaments in the 1988 season, Keith Nedwick of Walls and Justin Ales of Batesville made it to the second round of the State and Region 23 Junior College Championship Tournament at Millsaps College.

In No.1 singles, Nedwick defeated his opponent from Pearl River in straight sets 6-3, 6-1, but he was unable to defeat Itawamba's Australian whiz Michael Vercelj, who won in straight sets 6-0, 6-2.

Ales, playing in the No. 5 singles category, drew a bye in the first round before dropping the second to Northeast's Albert Green in straight sets 6-1, 6-2.

Tim Mills of Horn Lake and Jimmy Pipkin of Olive Branch, won their first game over Itawamba's Dulaney and Boyer 6-4, but they lost the next two games 6-4, 6-4.

Other members of the men's tennis team include Jamie Green, Domenick Carlini, Clint Burns, and John McPhail.

The women's team, consisting of Karon White, Pat Oglesby, Tina Duncan, Beth Bryson and Portia Cook, was unable to participate in the state tournament because of an insufficient number of matches.

RANGER RODEO

After only three rodeo competitions, the Northwest rodeo team was ranked number 20 in national standings and was in the second spot in the Ozark Region.

Rodeo teams are usually composed of six men, but Northwest competed with only five. One of these five men was Clay Perry, who was listed in first place in all-around, saddle bronc riding and steer wrestling in the Ozark Region. Perry was also listed in the number two spot in national rankings in the men's all-around division, placed 13th in saddle bronc competition and tied for third in steer wrestling in national rankings.

Other team members making the regional standings were Mike Price of Southaven placing fifth in bareback riding, Jason B. McClelland of Holly Springs in the number eight spot in bull riding and Lorri Jean Erwin of Southaven 12th in barrel racing.

INTRAMURALS

For those of us who aren't members of one of Northwest's intercollegiate sports, there are always Ranger intramurals. From flag football to basketball to softball in the spring, all Rangers get a chance to join in the fun. The field is sparked by teams like "Phi Poppa Toppa," "No-Name," and "I Phelta Thi" plus many other creative names. You can believe intramurals are taken just as seriously as any other sports here at Northwest.

RANGER BASEBALL

Ranked No. 14 in the NJCAA's final poll, Coach Jim Miles' baseball team wrapped up an outstanding season with a 33-12 record.

After gaining the North Division title, the Rangers began the state playoffs with wins over Pearl River 4-1 and 2-1. In the second round of the playoffs, Mississippi Delta took the first game 8-3, but Northwest retaliated with an 8-3 win of their own. The final match went to Delta 6-4, and the Rangers became state runners-up.

The Rangers were given another shot at the Spoilers in the Region 23 playoffs. After putting Northwest in the loser's bracket, the Trojans were unable to keep the Rangers from ris-

ing to the top. The Rangers came back to overcome Delta 10-8 and 6-4 for the Region 23 Championship and a berth in the Eastern District Playoffs.

Northwest finished the season at the Eastern District Playoffs in Madisonville, Tenn., May 20, losing to Louisburg (N.C.) 2-0. It was the first time anyone could remember the Rangers being shut out. "We don't have anything to be ashamed of," said Head Coach Jim Miles. "The team has faced a lot of adversity all year long, and I'm proud of every player," Miles continued.

Miles had more than one player to be proud of for the '88 season.

Three of the Rangers were chosen to be on the All-State Team — Mike Cosman, Cameron Blount, and Brian Geeslin. Players who received All-State Honorable Mention were: Mark Carson, Bobby Pickett, Robbie Williams, Mark Johnston, Thom Griffiths, and Ronnie Smith.

Sophomore right-hander Cosman was also named to the All Region 23 Team and the NJCAA All-American Team.

Representing the Rangers on the All-Star Team were Blount, Cosman, Geeslin, and Johnston.

The team was honored by the City of Senatobia and Mayor W. E. Callicott, who proclaimed May 18 "Ranger Baseball Day."

Mike Cosman led the Rangers with a 7-0 record.

Nothing looks or feels sweeter to a baseball fan than when a double play connects. The Rangers are known by all for their awesome double plays, and this past season Blount and Johnston connected for many. Now these former Rangers are connecting for the University of Arkansas at Little Rock.

PRESIDENT — DR. DAVID M. HARAWAY

Dr. David McWilliams Haraway, president of Northwest, has made significant changes over the past few years, in the college. One great change has been the completion of the Commons Area to the McLendon Union building which includes a new post office, bookstore, and the No Name Grill for faculty and students. Another notable difference is the improvement of the grounds by the "Campus Beautification" program. A significant achievement is his facilitating the successful Institutional Self-Study which resulted in continued accreditation of the college by the Southern Association of Colleges and Schools. This accreditation was reaffirmed on Dec. 12, 1988. These are just a few of the con-

tributions that Dr. Haraway has made at Northwest.

A graduate from Olive Branch High School, Dr. Haraway continued his education at the University of Mississippi, where he received his Bachelor of Business Administration, Master of Education in educational administration and supervision, and Doctor of Philosophy in education, administration and supervision degrees.

No stranger to state and national professional organizations, Dr. Haraway holds memberships in such organizations as: the Mississippi Junior College Association, National Association of Community and Junior Colleges, Phi Mu Alpha Sinfonia, Mississippi Association

of School Administrators, Mississippi Association of Vocational Educators, and American Vocational Association. He serves on the Board of Directors of the Mississippi Junior College Economic Development Foundation, and is district chairman of the Chickasaw Council Boy Scouts of America.

Dr. Haraway is a very important and busy man, but he's never too busy to attend a play or a Ranger football, baseball, or basketball game. His devout pride in our school, students, and faculty, and loyal support of the Northwest Rangers is by far the most important position he holds.

The Year In Review

I decided when I was asked to be editor that things would be different this year: we'd keep the office clean, always be organized, and make all deadlines. Unfortunately, as with most newspapers and yearbooks, things didn't always run silky smooth, and turn out just as we planned — "Solid as a Rock." I even had to have my mom type a couple of times when I was in a bind. We finally made it though, and as we wrap up the closing section it's time to say "Good-bye," and thank all of the people who made the '89 ROCKETEER possible.

I could never have made it without my three "T's": Tammy Harbor also known as "T-1," Tammy Meadows also known as "T-2," and Tammy Stricklen also known as "T-3." "T-1" and I saw many a weekend in the dark room, and "T-2" saved me with all of the copy she wrote, while "T-3" was the hardest and most loyal worker I've ever seen.

Jason Collins and John Howell might as well have been ROCKETEER Staff members, too. The sports section wouldn't have made it without these two. Jason's photography and John's sports writing abilities really pulled us through.

I lost two good staff members second semester, Kristi Hooper

and Leslie Williams, but the work they did first semester got me through the majority of the book, especially the classes section.

I can't forget the advisors, Dr. Ann Whitten, Mrs. Nancy Patterson, and Miss Louise McKee. We lost Louise, too, second semester. If it hadn't been for Louise and Nancy, I don't know what would have become of the Clubs and Outstanding Students. Dr. Ann came through for me, too, proofing pages and obtaining the World Events pictures.

There are many more people I need to thank just for putting up with me: my mom, sister and the rest of my family, my roommate; Shelly Marshall, and of course my teachers, especially Mrs. Gallant, who was always very understanding.

Last, but certainly not least, I would like to thank the students, faculty, and staff of Northwest. Without you this book would never be.

Thanks again, RANGERS!
Liesl Davenport,
Editor
